

## **Boyle School Council Meeting**

February 10th, 2025

Boyle School Library

**7:00PM**

**Call to order** 7:03

**Attendance** : Hatie, Nicole, Jason, Candy, Deidre, Amanda, Stephanie, Melissa

**Additions and Deletions**

**Minutes** Minutes were approved

**Delegations**

**Trustee Update**

Last board meeting was in Boyle school and had 3 delegations 1 student rep, Amanda was there to represent the school council and Jason was representing the school. All represented the school very well.

Student services:

-4 school counselors that serve all the schools in the division.

-EPC, Grassland and Boyle share and FSLW- family services liaison worker. Funded by the county. Darin Femer is the FCSS lead and can come to the parent council and explain what they do and what is offered to families.

-Student services coordinator for the division monitors great beginnings and oversees all the special education needs.

-Grant through Jordens principal \$745000 for the division.

-Reframing behaviour being held in Boyle April 15th dinner and session.

-Each school was allocated \$1500 for parent sessions and \$500 for student sessions. This is to bring in something to address mental health needs.

-Grade 12 student engagement. These kids were asked questions in grade 9 about what they expect to see in high school, how the division can help them succeed. These students said that high school success coaches

were very helpful. Most students were very supportive of the teachers and felt it was reciprocal and placed very high value on peer relationships.

Negatives: lack of field trips in high school, lack of activities and events to boost morale.

- Friends of education award: deadline is March 1st

- Bus driver of the year: Deadline in April

- Boundary review for the schools, the last one was done about 10 years ago.

### ***Principal & Vice Principal Reports***

See Principal Report- went over AERR

Jason will bring a draft of the 3 year plan next meeting

### ***Teacher Rep Report***

## **Teacher Report: Parent Council Meeting, Feb. 10, 2025**

### **Sports**

Downhill skiing has been a bit difficult to schedule with the cold weather that comes and goes.

Archery has begun

Basketball has begun - stirring up interest by starting a Gr. 3-6 basketball practice/team

### **Learning**

Lots and lots and laots of testing

Gr. 1 - counting money, guinea pig

Gr. 2 Letter exchange

Gr. 4 Passion Projects and art project with jars filled with what they are good at

Gr. 5 Astronomical Phenomena Presentations

Gr. 6 Colour Theory and Mrs. Wlos and recorders

Staff receiving professional development with the use of AI

New semester for Junior high and Sr. High

### Questions

Would the Parent Council be interested in purchasing school bunnyhugs with the new logo for staff? One of the teachers suggested it would look good especially when we were at division or larger functions - makes us highly visible and really shows great school spirit.

### **Student Rep Report**

No Rep Tonight

### **Old Business**

-Numeracy/Literacy night- in planning

-Logo Contest- picked top 3, Jason will take them to the student council and have them pick their top 3
